The practice is not planning to send any personal information about any data

subject across the borders of the Republic of South Africa to third parties in foreign countries. Should this be required, data subject consent will be obtained, where possible, and transfers of such information will occur in accordance with the requirements of the law.

10. SECURITY MEASURES TO PROTECT PERSONAL INFORMATION (Section 51(1)(c) (v))

The practice takes the privacy of persons seriously and is therefore committed to ensuring that personal information in its possession or under its control is secure. In order to prevent unauthorised access or disclosure of information, appropriate physical, electronic and managerial procedures have been implemented to safeguard and secure the information. For example, access to information is controlled and only persons requiring the information for the treatment, care and invoicing of patients as well as the administration of the practice have access to the information. Access to electronic records is password controlled. A privacy policy has been implemented to ensure that personal information is processed and stored strictly in accordance with the law and all persons who have access to that information are aware of their responsibilities. Records are maintained in a structured filing system for as long as it is necessary in accordance with the relevant laws. A risk assessment of the organisational and technical processes and procedures is conducted on a regular basis to ensure a continuous monitoring and enhancement of security measures in the practice. Practitioners, other staff and contractors are required to adhere to the strict policies and processes implemented by the practice and are subject to sanctions for any security breach. All security breaches are taken seriously and are addressed in accordance with the law.

11. PROCEDURE TO OBTAIN ACCESS TO THE RECORDS OR INFORMATION (Section 51(1)(b)(iv))

The fact that information and records are held by the practice as listed in this Manual should not be construed as conferring upon any requester any right to that information or record. PAIA grants a requester access to records of a private body, if the record is required for the exercise or protection of any right. If a public body lodges a request, the public body must be acting in the public interest. Access to records and information is not automatic. Any person, who would like to request access to any of the above records or information, is required to complete a request form, which is attached to this manual as Annexure A, and pay the fees specified in PAIA, attached hereto as Annexure B. The request form is also available from:

- The Information Officer of the practice at the contact details stipulated above; and
- The Information Regulator at the contact details stipulated above.

The requester must provide sufficient detail on the request form to enable the Information Officer to identify the record and the requester. The requester must

DATE OF REVISION: 13/12/2021

on behalf of another person, the requester must submit proof of the capacity in which the request is made to the satisfaction of the Information Officer. Access to the requested records or information or parts of the records or information may be refused in terms of the law. Requesters will be advised of the outcome of their requests.

12. PRESCRIBED FEES (Section 51(1)(b)(iv))

The fees for requesting and accessing information and records held by the practice are prescribed in terms of PAIA. A requester (other than a personal requester) is required to pay the prescribed fee of R50 before a request will be processed. **NOTICE IN TERMS OF THE PROMOTION OF ACCESS TO INFORMATION 2 OF 2000
RE: FEES ASSOCIATED WITH PAIA REQUESTS ARE DETERMINED BY THE
REGULATIONS ONLY AND NOT THROUGH OTHER APPLICABLE LAWS OR POLICIES**

This Notice serves to state that the South African Human Rights Commission (the Commission) hereby confirms that the costs associated with all requests made under the Promotion of Access to Information Act 2 of 2000 (PAIA) are determined by the Regulations relating to PAIA only, and not by any other laws or regulations. Therefore, any demands made by a public or private body for the payment of additional fees with respect to PAIA requests are invalid.

The Commission is an independent public body currently mandated under PAIA to monitor the implementation of the Act. In accordance with its responsibilities to ensure compliance with PAIA, the Commission issues this notice to bring clarity to all interested parties that it is only the Minister of Justice and Constitutional Development who has the power to make decisions regarding fees associated with PAIA requests. The Commission further confirms that Value-Added Tax (VAT) is only payable by institutions who have registered as VAT vendors.

1. **The Promotion of Access to Information Act**
PAIA gives effect to the constitutional right to access of information, as provided for under section 32 of the Constitution. Although responding to requests and reproducing records in an accurate and orderly manner takes time and resources, section 9 of the Act specifically calls for the establishment of mandatory mechanisms and procedures to ensure that access to records of both public and private bodies is "as swiftly, inexpensively and efficiently as reasonably possible." (emphasis added). Furthermore, section 92 of the Act grants the Minister of Justice and Constitutional Development the power to make regulations pertaining to fees associated with requests made to both public and private bodies.

2. **Regulations to PAIA**
In February 2002, the Minister of Justice and Constitutional Development published a schedule of fees for PAIA requests in the Gazette, which provided for the following:

Fees for Requesting Records

Requesters are required to pay a fee for requesting access to records from both public and private bodies. The fee for requesting records from a public body is R35, while the fee for requesting records from a private body is R50. It is important to note that people who are requesting access to their personal information are exempt from paying a fee. Furthermore, people who earn less than R14,312 per annum (if single) and R27,192 per annum (if married or have a life partner), are also exempt from paying the request fees.

Fees for Accessing Records

Requesters are also required to pay fees for accessing the records of public and private bodies, which include fees associated with the search for, preparation of, and reproduction of documents. The breakdown of fees for requests to both public and private bodies are as follows:

Public Bodies:

- Copy per A4 page – 60 cents
- Printing per A4 page – 40 cents
- Copy on a CD – R40
- Transcription of visual images per A4 page – R22
- Copy of a visual image – R60
- Transcription of an audio recording per A4 page – R12
- Copy of an audio recording – R17
- Search and preparation of the record for disclosure – R15 per hour or part thereof, excluding the first hour, reasonably required for the search and preparation
- Actual postage fee

Private Bodies:

- Copy per A4 page – R110
- Printing per A4 page – 75 cents
- Copy on a CD – R70
- Transcription of visual images per A4 page – R40
- Copy of a visual image – R60
- Transcription of an audio recording per A4 page – R20
- Copy of an audio recording – R30
- Search and preparation of the record for disclosure – R30 per hour or part thereof, excluding the first hour, reasonably required for the search and preparation
- Actual postage fee

3. **Registered VAT Vendors**

The Commission further confirms that Value-Added Tax (VAT) is only payable by institutions who have registered as VAT vendors, as required under section 23 of the Value-Added Tax Act of 1991.

Sincerely,

ADVOCATE L.M. MUTHWANI
